

FELINA BEATRICE N M

BCA STUDENT - MOBLIE APPLICATION & CLOUD TECHNOLOGY

CONTACT

- 8848786407
- felinabeatricenm@gmail.com
- Vennala, Ernakulam, Kerala
- www.linkedin.com/in/felina-beatricenm

SKILLS

- Strategic Planning
- Problem Solving
- Leadership
- Creative Thinking
- Data Analysis
- Adaptability to Change
- Time Management

LANGUAGES

- English (Fluent)
- Hindi
- Malayalam
- Tamil

TECHNICAL SKILLS

- C, C++, Java
- HTML, PHP
- SQL (Basics)
- Linux

PROFILE

A dedicated and highly motivated Bachelor of Computer Application student with a relentless passion for computer science, programming and the art of crafting remarkable software solutions. Actively engaged in practical labs and project based learning to build robust applications and deploy services, maintaining a focus on developing technical skills relevant to the current industry demands.

ACADEMIC PROJECTS & EXPERIENCE

Courier Management System

Technologies: PHP, HTML, MySQL, CSS

- Developed a system to manage courier bookings, tracking, and delivery details.
- Implemented features for customer registration, parcel tracking, and status updates.
- Designed a database to store customer and shipment information.

Hangman

Technologies: C++, Object Oriented programming (OOP)

- Developed a word guessing game based on the classic Hangman concept.
- Implemented logic to check user input and track incorrect guesses.
- Displayed game progress and remaining attempts dynamically.
- Improved understanding of loops, conditions, and string handling.

TO-DO List

Technologies: C programming

- Developed a console-based To-Do List application to manage daily tasks.
- Implemented features to add, view, update, and delete tasks.
- Used structures and file handling to store and retrieve task data.
- Applied concepts of arrays, functions, and loops
